

THINGS FOR CHILDREN

At the show there are a number of things to interest and entertain children. **Note** that Pedalmania and 5-10 are available on Saturday only.

- 1** Go to the **Home Industries Pavilion** to see colouring competition entries, as well as student and pre-school entries (includes cooking, craft, technology, flowers, woodwork, sand saucers, lego, junk to funk and art).

- 2** Go to the **ITM/Young Farmers Animal Pavilion** and see a variety of animals. On Saturday, you can see more animals at the show, including sheep, goats, alpaca and poultry.

- 3** Take in the **sideshow**s, maybe taking a ride on the ferris wheel. Maybe you will win a prize to take home with you at the sideshows.

- 4** Ride a pony with **Pony Parties** or crazy bike with **Pedalmania**, both located at the **Farmyard** (eastern end of the grounds near the market sites).

- 5** Find balloon man Clint Hawke within the showgrounds and be rewarded with a **balloon animal**.

- 6** Watch (or if you are young enough) enter into the **Tiny Tots** competition, held on the **Hokonui Entertainment Stage**.

- 7** Watch or dance a jig or reel in the **Highland Dancing** located by the **ITM/Young Farmers Animal Pavilion**. Or, for a different style of dance, watch the **St Joseph's School hip hop group** on the **Hokonui Stage**.

- 8** Enter your **pet lamb** in the show or watch the judging of the pet lambs. Maybe win a mountain bike when you are crowned Ashburton district primary school champion!

- 9** Watch a performance from, and be amazed by, magician **Josh Grimaldi** and his stilt walker persona "The Golden Man".

- 10** Watch the entertainment of the show's **Grand Parade** and catch some lollies in the **lolly scramble**.
